I Am Loved | Franchesca

Three words: I am loved. Simple. Getting there, much less so.

SJB SELECTION · NOVEMBER 2026

Three words: I am loved. Simple. Getting there, much less so.

Franchesca ties the song to a spiritual battle.

Mind.

Emotions.

Finances.

Fear.

Conflict.

The title immediately changes weight.

It is no longer consolation.

It is conquest.

The contemporary gospel production follows this movement without covering it. The voice starts from an intimate space and grows.

The sound is warm. Enveloping.

But under that softness the memory of the struggle remains.

It’s a **wounded certainty**.

Like saying the same sentence many times without really managing to believe it and noticing, one day, that those words have finally started to be true inside us too.

Faith doesn’t erase the conflict.

It outlives it.

> ***The strength of “I Am Loved” comes precisely from this journey: the three words arrive after the battle. That’s why they don’t feel like a gift. They feel like something Franchesca had to win back.***
