SJB SELECTION

REVIEW · GOSPEL

Love Never Ceases | Kaye-Marie

To say that love never ceases doesn’t mean claiming it never changes, never passes through loss, distance or pain; it means imagining something able to remain when everything around it has already begun to change shape.

SJB SELECTION · NOVEMBER 2026

To say that love never ceases doesn’t mean claiming it never changes, never passes through loss, distance or pain; it means imagining something able to remain when everything around it has already begun to change shape.

“Love Never Ceases” chooses permanence over the grand gesture.

Kaye-Marie’s voice brings a luminous warmth into a production that smooths R&B and gospel together without letting one erase the other.

The result has a **delicate certainty**.

There’s no need to turn faith into a show of muscle.

Here the strength lies in continuity.

It’s like keeping a candle lit in a room that is too big: its light doesn’t eliminate the darkness, but it completely changes the way we perceive it.

The music doesn’t explode.

It doesn’t keep chasing a climax.

It stays.

And that staying gradually becomes the message itself.

> ***“Love Never Ceases” suggests that not all faith needs to shout to be convincing. Sometimes its most radical form is much simpler: to keep being there.***
